

Dear Supporter of the Performing Arts

We invite you to participate in a fundraising plan to help support our Performing Arts Department as our faculty and staff provides our students with a rewarding educational experience through music and theater. This year is filled with many exciting programs and competitions. Financially we support fall and spring concerts, musical theater dinner production, county and state competitions, community service, travel and purchase of music, props and costumes. The theater production alone will cost approximately \$10,000.00. The CMS Booster Club of the Performing Arts has pledged to support these goals, but we cannot do it alone.

We need financial support from our families, friends and community businesses. Below is a list of sponsorship opportunities. Each category provides a unique way to support these students. Your booster club is a 501 (c) (3) not for profit Florida Corporation, so your donation is tax deductible.

TITLE	AMOUNT	BENEFITS
